- Insert the UNI of your CU faculty adviser and click Add.
- The next screen will confirm whether or not your PI needs to complete the Conflict of Interest statement.
- Click on blue circle to add personnel; yourself as Co-Investigator.
- Follow the same process as for the PI: insert your UNI and select Co-Investigate for role. Click on Add to confirm.
- Click on Research to provide a Scientific Abstract and provide a Lay Abstract a brief overview of what you want to study and how you plan to conduct the study
