Submit a copy of your Certificate of Eligibility or Post 9/11 GI Bill Statement of Benefits to Tessie Scroggins or Chris Connelly.

- Please scan/email it to gsveterans@columbia.edu.
- If you do not have this document, visit the VA's website and complete your VA educational benefit application. This will prompt the VA to send you your Certificate of Eligibility.
- If you are currently on active duty once you officially separate you must send the Buffalo Regional Office a copy of your DD-214. You can upload your DD-214 via Ask VA. At which point they will switch you from active duty to veteran status and send you a new Certificate of Eligibility.

Complete the Veterans Request for Certification online form on the Columbia Veterans Affairs on the GS website. You will need to complete this form before every term you wish to utilize your VA benefits at Columbia for the following Chapters, 33, 30, and 35.

Important Post-9/11 GI Bill (Chapter 33) Update
As of the Spring 2022 semester, students using their Post-9/11 GI Bill® (Chapter 33) benefits and receiving a Monthly Housing Allowance (MHA) and/or kicker payment will be required to verify their enrollment by the end of each month to continue receiving their payments.

To streamline the enrollment verification process, the U.S. Department of Veterans Affairs (VA) is providing students with text message verification, an easy and secure method for verifying enrollment each month via text and the best way to ensure they receive their MHA/kicker payments uninterrupted. Students also have the option to verify enrollment via email. Learn More.

Please note: any student who fails to submit enrollment verification for two consecutive months will have their MHA/kicker payments held until verification of enrollment.
